Instructions for authors

I have read the author guidelines for this journal

Original material

I have only submitted this article to this journal and it has not been published anywhere else

Are you named as an author/contributor on the article you are submitting?

Yes No

By submitting your article or content for publication you acknowledge and agree on behalf of yourself and all co-authors that, if it is accepted for publication:

- Taylor & Francis' publishing terms, including on how you can share the article or content, will apply and take precedence over any other terms that you assert during the submission or publication process to any version of this article or content;
- You or any co-author have not previously assigned or licensed rights to any other third party for this article or content that would conflict with any rights to be granted in the publishing terms, and take precedence over any other terms that you assert during the submission or publication process to any version of this article or content;
- You and all co-authors are willing and able to proceed with publication.
